

Investment Opportunity in the Affordable Housing market

Up to 18% Annual Return of Investment

The Number One demand in the housing market today is single family housing under \$200,000

ITEX Homes is building quality, affordable houses in the Dallas / Ft. Worth market.

Turnkey investment opportunities are now available that allow you to earn up to 18% annual returns. **ITEX Homes** offers easy opportunities to invest in a specific new construction build.

ITEX Homes builds and sells houses in a 4 to 6 month timeframe. With an investment of \$128,000, you will receive your initial investment PLUS a \$7,680 profit when the house sells which returns a 6% ROI every 4 to 6 months. If you renew your original investment over a 12-month period, that is an annualized rate of return of 12 - 18%.

ITEX Homes is a locally owned and operated company based in McKinney, TX.
